MEMORANDUM FOR ALL Soldier Support Institute (SSI) Personnel

SUBJECT: Policy Memorandum #12 - Energy Conservation Program

1. References:

- a. AR 11-27, Army Energy Program
- b. Fort Jackson Regulation 420-7, Energy Conservation Program

2. Commanders, commandants and supervisors are responsible for ensuring energy conservation procedures and goals are established and followed by all personnel assigned or attached to the SSI. We must stay within established guidelines set forth in the above stated references for conservation of energy, fuel, and all of our valuable resources.

3. All military and civilian personnel must ensure our resources are conserved by using the recycling program, turning lights off when not in use and making energy conservation suggestions through the SSI Energy Conservation Representative, Mr. Howard Tabor, Support Services. Collectively we will achieve the energy conservation goals established by the Department of the Army, TRADOC and Fort Jackson.

4. The proponent for periodic review of this policy is the Director of Support Services, SSI.

5. READINESS STARTS HERE!
